

The Lessler Group represents clients who are professional service providers to the business community and public agencies. We feel strongly that these service providers are the "best of class" in each of their respective industries. This is the hallmark of our success - that businesses and municipalities working with The Lessler Group and its clients can be assured of the highest levels of professional excellence available in the region.

**ACE CAPITAL GROUP**

**Ace Capital Group**

is a family-owned Land Banking company based in Redwood City, California. Our premier consumer Land Banking product is sold under the brand GreenDeed™ through a network of authorized real estate agents and brokers. Our proven approach has made it possible for thousands of customers to allocate under-performing assets in existing retirement accounts to select pre-developed land. ACE's Land Bankers have access to better parcels of land, at better prices, with better exit strategies than any other Land Banking product.

**ACG Certified Public Accountants:**

ACG provides general tax compliance and tax provision services. As a full tax service provider, ACG also provides FIN 48, research and development credit, merger and acquisition assistance, and net operating loss enhancement analyses. Currently, approximately 70% of our client base is audited by the Big 4. Virtually all of our clients have multi-state activity, approximately 80% have international operations, and approximately 15% are public.

**Mario Ramirez of Alain Pinel Realtors**

Mario brings to his clients more than 20 years experience in real estate and financial services, plus a passion for delivering top notch customer service while building long term relationships. As an Alain Pinel Realtor, Mario also has access to the most cutting edge technology as well as advanced real estate marketing expertise. Mario is a San Jose native who has lived in Saratoga since 1992 with his wife and two sons. He knows the area well. Holding himself to the highest professional and ethical standards, and dedicated to helping his clients make real estate decisions that are both prudent and fulfilling. If you are considering buying or selling real estate, please contact Mario. His years of experience, knowledge of the area, and service orientation combined with the backing of Alain Pinel, which has made more million-dollar-plus luxury transactions than any other real estate company, are the perfect formula for your success.

**The Brenner Group**

### Premier Consulting

provides a full range of Internet and computer consulting services, from website to server and network implementation and support. We integrate business systems - CRM, accounting, product information - with dynamic website applications. Premier also integrates business systems with mobile / smart phones, including BlackBerry, iPhone, and Android. Premier Consulting has been in business since 1995, managing both short-term and long-term relationships with clients. We provide full systems support, from database servers - Oracle, SQL Server, MySQL - through email and network systems management. We can be an extension to your IT staff, or provide full IT services to your organization.

### PRIVITYLEGALGROUP

### Privity Legal Group

Privity Legal Group (PLG) is a boutique-style firm focused on providing a full range of legal services in real estate law and estate planning. PLG is proud to serve California residents with their real estate and estate planning needs. Understanding the complexity and sensitive nature of real estate and estate planning issues, PLG is able to effectively guide you through these delicate issues and ensure you and your family’s interests are protected. PLG has helped its real estate clients with foreclosure alternatives, property acquisitions/dispositions, commercial office and retail leasing, condominium conversions of both residential and commercial buildings as well as real estate litigation. PLG’s estate planning practice involves creating comprehensive estate plans for its clients. PLG drafts revocable living trusts, wills, power of attorneys, advance health care directives, life insurance trusts as well as other asset protection devices. Through the proper planning of an estate, PLG has been able to serve its clients by protecting their assets while minimizing their tax liability.
